ANTHONY STUMPF

Thousand Oaks, CA | anthonystumpf@proton.me | linkedin.com/in/anthony-stumpf | github.com/Nemorous

Cybersecurity professional and MS candidate in Cybersecurity and Information Assurance with hands-on penetration testing and vulnerability assessment experience, including the discovery of a critical privilege escalation vulnerability in a formal client engagement. Certified in PenTest+, CySA+, Security+, and more. Open-source developer, community leader, and consistent Diamond-tier NCL competitor focused on the intersection of artificial intelligence and offensive security.

Skills

- **Security Tools & Platforms:** Splunk, Wireshark, Kali Linux, Nessus, Nmap, Metasploit
- **Monitoring & Response:** Security event monitoring, incident triage, log analysis, alert investigation
- **Networking & Systems:** TCP/IP, DNS, Windows/Linux administration, Active Directory fundamentals
- **Programming & Scripting:** Python, Bash, MySQL, PowerShell
- **Soft Skills:** Critical thinking, analytical reasoning, teamwork, effective communication

Certifications

- **CompTIA PenTest+ ce Certification** – CompTIA, Expires May 2029
- **CompTIA CySA+ ce Certification** – CompTIA, Expires Mar 2029
- **Associate of ISC^2** – ISC^2, Expires Aug 2026
- **CompTIA Security+ ce Certification** – CompTIA, Expires Jul 2028
- **CompTIA Network+ ce Certification** – CompTIA, Expires Jul 2028
- **CompTIA A+ ce Certification** – CompTIA, Expires Jul 2028
- **CompTIA IT Operations Specialist (CIOS) Stackable Certification** – CompTIA, Expires Jul 2028
- **CompTIA Secure Infrastructure Specialist (CSIS) Stackable Certification** – CompTIA, Expires Jul 2028
- **CompTIA Project+ ce Certification** – CompTIA, Expires Nov 2028

Leadership, Awards & Projects

President – WGU Cyber Club

Western Governors University | *Current*

- Lead cybersecurity student organization at the graduate level, organizing events, resources, and community engagement for members across the program.

President – Moorpark College Cybersecurity Club

Moorpark College | *Prior Role*

- Spearheaded institution-funded initiative to send 12 students to DEFCON, covering all conference tickets, travel, hotel, and meals. The program has since become an annual tradition at the college.

Open-Source Developer – Wordreaper & ZombieCrack

GitHub: github.com/Nemorous | *Active Projects*

- Built and published Wordreaper, an open-source web scraping tool for automated targeted wordlist generation, and ZombieCrack, an automated password-cracking tool. Wordreaper has earned close to 50 GitHub stars, a meaningful milestone for a newly published tool and a signal that it found a genuine audience beyond its original purpose.
- Managed public releases, contributor pull requests, versioning, and community-driven feature roadmap.

Academic Honors & Awards

Western Governors University

- Excellence Award – Legal Issues in Information Security (rare distinction among WGU students)
- Inducted into 2 honor societies: Order of the Sword and Shield, and The National Society of Leadership and Success
- Passed all objective/performance assessments and CompTIA exams on the first attempt with zero revisions required.
- Consistent Diamond-tier finisher in the National Cyber League (NCL), placing in the 95th–99th percentile across 6 consecutive seasons (Spring/Fall 2023–2025) in both Individual and Team Game formats.

Work History

Founder / IT & Security Lead

Knight Light Games LLC, Thousand Oaks, CA | January 2019 – Current

- Founded and operate an independent cybersecurity consulting practice (Knight Light AI Security), conducting formal penetration testing engagements for real-world clients.
- Performed a formal security assessment of a SaaS platform (ListenToSee, Inc.), uncovering a critical Supabase RLS privilege escalation vulnerability along with multiple additional findings across the engagement.
- Developed and integrated AI agentic frameworks into penetration testing workflows, enabling automated reconnaissance and vulnerability scanning at scale.
- Developed and maintained client-facing tools, internal automation scripts, and reporting infrastructure to support engagement workflows.
- Managed engagement scoping, timelines, and deliverable reporting for client penetration testing projects.
- Built and published two open-source security tools (Wordreaper and ZombieCrack) actively used by the cybersecurity and CTF community.

Field Technician II

Spectrum, Newbury Park, CA | May 2018 – November 2018

- Installed, fixed, and maintained cable, internet, and phone services.
- Provided excellent customer service while resolving technical issues onsite.
- Adhered to safety protocols and regulatory standards.
- Collaborated with other field technicians to resolve complex technical issues.

Store Manager

Moldavon Inc / Pet Life, Moorpark, CA | February 2014 – May 2018

- Monitored security and handled incidents in a calm and professional manner.
- Completed daily tasks and special assignments with an efficient, quality-driven approach.
- Counted cash drawers, made bank deposits, and reordered inventory as needed.
- Generated repeat business through exceptional customer service.

Computer Technician

BSC Services, LLC, Valencia, CA | March 2010 – February 2014

- Oversaw daily performance of computer systems and ensured proper installation of cables, operating systems, and software.
- Trained users in the proper use of hardware and software; provided after-hours support as needed.
- Responded to end-user support requests and resolved technical issues efficiently.
- Linked computers to network and peripheral equipment.

Education

Master of Science in Cybersecurity and Information Assurance — **Expected January 2027**
Western Governors University, Salt Lake City, UT

Bachelor of Science in Cybersecurity and Information Assurance — **June 2026**
Western Governors University, Salt Lake City, UT

Associate of Science in Cybersecurity
Moorpark College, Moorpark, CA | GPA: 3.5

Associate of Science in Computer Network Systems Engineering
Moorpark College, Moorpark, CA | GPA: 3.5

High School Diploma
Royal High School, Simi Valley, CA
